DOCKET NO.

Deputy Clerk, U.S. District Court  
Middle District of Georgia

PLEA AGREEMENT

It is agreed by the United States of America, by and through its undersigned attorney, and JOHN CHRISTOPHER REYNOLDS, hereinafter referred to as "Defendant," and defendant's undersigned attorney, as follows:

(1)

Defendant acknowledges that he has reviewed and discussed the information against him in this matter with his attorney and his attorney has explained to defendant his understanding of the government's evidence.

(2)

The defendant understands that he is not required to plead guilty, and that he has the right to plead not guilty and to elect instead to be tried by jury. The defendant understands that at a jury trial, he would enjoy a presumption of innocence, and that the government would have the burden of proving defendant's guilt beyond a reasonable doubt. The defendant understands that he would be entitled to the services of a lawyer at all stages of such a trial. The defendant

understands that he would be entitled to confront and to cross-examine the government's proof, and to present witnesses and evidence in defendant's own behalf. The defendant understands that he would have the right to testify in his own behalf, but that he could not be compelled to do so. Defendant has discussed these rights with his attorney. Defendant is satisfied with the services of his lawyer. Defendant knowingly and voluntarily waives his right to plead not guilty and to proceed to trial.

The United States Attorney and the Defendant understand and agree that the Court should consider its sentence in light of the advisory Federal Sentencing Guidelines, as explained in United States v. Booker, 543 U.S. 220, 125 S.Ct. 738 ( 2005). Defendant knowingly and voluntarily waives any further objections that Defendant may have based on Booker, Apprendi v. New Jersey, 530 U.S. 466 (2000), and their progeny. The Defendant agrees that at sentencing the Court may determine any pertinent fact by a preponderance of the evidence and the Court may consider any reliable information, including hearsay. The Defendant expressly waives any claim of right to an indictment, trial by jury, and/or proof beyond a reasonable doubt on any factual determinations that pertain to sentencing in this case.

(3)

Defendant being fully cognizant of his rights, and in exchange for the considerations to be made by the United States as set forth in paragraph (4) below, agrees pursuant to Rule 11(c), Federal Rules of Criminal Procedure, as follows:

(A) The defendant is guilty and will knowingly and voluntarily enter a plea of guilty to Count One of the information which charges defendant with "Aiding and Abetting the Giving

of a Gratuity to a Public Official”, in violation of Title 18, United States Code, Sections 201(c)(1)(A) and 2.

(B) That defendant fully understands that his plea of guilty as set forth in Subparagraph (A), above, will subject him to a maximum sentence of two (2) years imprisonment, a maximum fine of \$250,000, or both, and a term of supervised release of one (1) year. Defendant further acknowledges that the Court is required to impose a mandatory assessment of \$100.00.

(C) The defendant acknowledges and understands that the Court is not bound by any estimate of the advisory sentencing range that defendant may have received from his counsel, the government, or the Probation Office. The defendant further acknowledges and agrees that defendant will not be allowed to withdraw his plea because he has received an estimated guideline range from the government, defendant's counsel, or the Probation Office which is different from the advisory guideline range computed by the Probation Office in the Presentence Report and found by the Court to be the correct advisory guideline range.

(D) The defendant understands fully and has discussed with his attorney that the Court will not be able to determine an advisory guideline sentence until after a presentence investigative report has been completed. The defendant understands and has discussed with defendant's attorney that he will have the opportunity to review the presentence investigative report and challenge any facts reported therein. The defendant understands and has discussed with defendant's attorney that any objections or challenges by the defendant or defendant's attorney to the Presentence Report, the Court's evaluation and rulings on that Report, or the

Court's sentence, will not be grounds for withdrawal of the plea of guilty.

(E) Defendant understands and has discussed with defendant's attorney that after the Court considers the advisory guideline range for this case, the Court will have the discretion to impose a sentence that is more severe or less severe than the advisory guideline range.

(F) Defendant agrees to provide a check for the mandatory assessment at the time of sentencing.

(G) Defendant understands, and has fully discussed with defendant's attorney, that the Court shall order total restitution in this case pursuant to 18 U.S.C. § 3663A and that defendant agrees to pay the restitution ordered by the Court whether to an identifiable victim or the community.

(H) The defendant understands that ordinarily Title 18, United States Code, Section 3742, will in certain cases allow for a direct appeal after sentencing followed by the Court of Appeals' limited review of a defendant's sentence. Once this agreement is accepted and sentence is imposed by the District Court, defendant by this agreement forever waives any right to an appeal or any other court review of defendant's sentence, and the defendant's waiver includes any collateral attack on the District Court's sentence. However, in the event that the District Court imposes a sentence that exceeds the advisory guideline range as determined by the District Court, then the defendant shall retain the right to pursue a timely appeal of the sentence directly to the Court of Appeals after the District Court imposes its sentence.

The defendant and the United States Attorney agree that nothing in this plea agreement shall affect the government's opportunity to appeal as set forth in Title 18, United States Code,

Section 3742(b). If, however, the United States Attorney notices an appeal of the defendant's sentence, then the defendant shall have the right to cross-appeal from the sentence.

(I) The defendant and the government stipulate and agree that there was no detected or identified biological evidence obtained during the investigation and prosecution of the matter which is subject to DNA testing. The defendant further agrees that all evidence obtained in this investigation and prosecution may be destroyed or returned to its rightful owner.

(J) Defendant agrees to provide complete, candid, and truthful statements to law enforcement officers regarding defendant's involvement and the involvement of all others involved in the charges alleged in the present information as well as any and all criminal violations about which the defendant has knowledge or information and that such information provided will be pursuant to and covered by this agreement. The defendant further agrees to provide complete, candid, and truthful testimony regarding such matters in any proceeding. The defendant understands that this agreement does not require the defendant to implicate any particular individual or individuals or to "make a case," rather it requires the defendant to be truthful and to testify truthfully whenever called upon.

(K) Defendant agrees to permit the Government to utilize against Defendant in any subsequent judicial proceeding any and all statements made by Defendant. Defendant understands that Rule 11(f) of the Federal Rules of Criminal Procedure and Rule 410 of the Federal Rules of Evidence ordinarily limit the admissibility of statements made by a Defendant during the course of plea discussions or plea proceedings if the guilty plea is later withdrawn. The Defendant knowingly and voluntarily waives the provisions of limitations of these rules and admits that the

statements set forth in the Stipulation of Facts contained in this agreement will be admissible against Defendant for any and all purposes if, for any reason, the Defendant fails to plead guilty, the plea of guilty is voided as a result of the Defendant's conduct, or Defendant filed a motion to withdraw his guilty plea. If the Court does not accept this plea agreement, the provision of Rule 11(f) of the Federal Rules of Criminal Procedure and Rule 410 of the Federal Rules of Evidence will remain in effect.

(L) If a legitimate issue arises as to whether or not there has been a breach of this agreement, said question shall be determined by the United States District Court for the Middle District of Georgia. The burden of establishing such a breach shall be upon the Government and shall be established by a preponderance of the evidence. The Federal Rules of Evidence shall not apply in any hearing to establish such a breach, but evidence shall be admitted and excluded at the Court's discretion.

(4)

In exchange for the consideration set forth in Paragraph (3) above, the United States Attorney for the Middle District of Georgia agrees as follows:

(A) That he will accept the plea of guilty by defendant as provided in Paragraph (3)(A), above, in full satisfaction of all possible federal criminal charges, known to the United States Attorney at the time of defendant's guilty plea, which might have been brought solely in this district against the defendant.

(B) That he further agrees, if the defendant cooperates truthfully and completely with the government, including being debriefed and providing truthful testimony, at any proceeding

resulting from or related to defendant's cooperation, to make the extent of the defendant's cooperation known to the sentencing court. If the defendant is not completely truthful and candid in his cooperation with the Government, he may be subject to prosecution for perjury, false statements, obstruction of justice, and/or any other applicable charge. If the cooperation is completed prior to sentencing, the government agrees to consider whether such cooperation qualifies as "substantial assistance" pursuant to 18 U.S.C. Section 3553(e) and/or Section 5K1.1 of the advisory Sentencing Guidelines warranting a government motion at the time of sentencing recommending a downward departure from the advisory guideline range. If the cooperation is completed subsequent to sentencing, the Government agrees to consider whether such cooperation qualifies as "substantial assistance" pursuant to Rule 35(b) of the Federal Rules of Criminal Procedure warranting the filing of a motion for reduction of sentence within one year of the imposition of sentence. In either case, the defendant understands that the determination as to whether defendant has provided "substantial assistance" rests solely with the Government. Any good faith efforts on the part of the defendant that do not substantially assist in the investigation or prosecution of another person who has committed a crime will not result in either a motion for downward departure from the advisory guideline range or a Rule 35 motion. In addition, should the defendant fail to cooperate truthfully and completely with the Government, or if the defendant engages in any additional criminal conduct, the defendant shall not be entitled to consideration pursuant to this paragraph.

(C) Pursuant to Section 1B1.8 of the United States Sentencing Guidelines, the Government agrees that any self-incriminating information which was previously unknown to

the Government and is provided to the government by the defendant in connection with defendant's cooperation and as a result of the defendant's plea agreement to cooperate will not be used in determining the advisory guideline range. Further, the government agrees not to bring additional charges against the defendant, with the exception of charges resulting from or related to violent criminal activity, as defined in 18 U.S.C. § 924(e)(2)(B)(i), based on any information provided by the defendant in connection with the defendant's cooperation, which information was not known to the government prior to said cooperation. This does not restrict the government's use of information previously known or independently obtained for such purposes.

(D) If the defendant affirmatively manifests an acceptance of responsibility as contemplated by the Sentencing Guidelines, the United States Attorney will recommend to the Court that the defendant receive a downward adjustment in the advisory guideline range. The decision whether the defendant will receive any sentence reduction for acceptance of responsibility rests within the Court's discretion. The United States expressly reserves its right to furnish to the Court information, if any, showing that the defendant has not accepted responsibility, including, but not limited to, denying his involvement, giving conflicting statements as to his involvement, or engaging in additional criminal conduct including personal use of a controlled substance.

(E) That he agrees to recommend that the loss amount for determining a sentence pursuant to the United States Sentencing Guidelines does not exceed \$200,000.00.

(5)

Nothing herein limits the sentencing discretion of the Court.

(6)

This agreement constitutes the entire agreement between the defendant and the United States, and no other promises or inducements have been made, directly or indirectly, by any agent of the United States, including any Assistant United States Attorney, concerning any plea to be entered in this case. In addition, defendant states that no person has, directly or indirectly, threatened or coerced defendant to do or refrain from doing anything in connection with any aspect of this case, including entering a plea of guilty.

(7)

As an aid to this Court, the United States Attorney and the defendant, by and through defendant's counsel, enter into the following Stipulation of Fact. This stipulation is entered into in good faith with all parties understanding that the stipulation is not binding on the Court. Under U.S.S.G. Policy Statement Section 6B1.4(d), this Court may accept this stipulation as written or in its discretion with the aid of the Pre-Sentence Report determine the facts relevant to sentencing.

Subject to the above paragraph, the United States Attorney and the defendant stipulate and agree that at trial the United States could prove the following beyond a reasonable doubt:

At all times relevant to the information, Mark E. Cundiff ("Cundiff") was a "public official" as that term is defined by federal law. Cundiff was employed as a program manager in a maintenance squadron at Robins Air Force Base ("RAFB").

Raymond Williams ("Williams") was the owner and chief executive officer of U.S. Technology Corporation ("UST"). UST was awarded contracts to be performed at the RAFB beginning about 2001 and continuing up to the present. In his capacity as a public official at RAFB, Cundiff performed significant and material work on at least one contract that was awarded to UST and which was funded by funds from the RAFB maintenance unit by which Cundiff was employed. Beginning on or about 2011, and continuing through November 2013, Williams paid gratuities to Cundiff in relation to his work on a contract that was awarded to Williams and UST. Defendant assisted the payment of these gratuities from Williams to Cundiff at the request of Cundiff beginning about 2011, by receiving \$40,000.00 each month from UST in relation to a fictitious contract between UST and Defendant, and by then making cash payments to Cundiff from the UST funds.

(8)

ACCEPTANCE OF PLEA AGREEMENT

Defendant understands and has fully discussed with defendant's attorney that this agreement shall become effective only upon the Court's acceptance of this agreement and the

Court's acceptance of the plea of guilty by the defendant.

SO AGREED, this 10th day of December, 2013.
